Activity Coordinators Report: See attachment .Discussed the volunteer appreciation boat ride with the first ride unable to leave the dock due to high water/fast current. Tickets were given by Patti Zastrow for a complimentary ride good for one year. The second trip was great with Ken Colvent winning the donated afghan. The Polka Fest was a big hit with root beer floats served. A special thank you to Vicki Seyfert for donating the root beer and ice cream.

Diane stopped by to advise our committee that we had a bank account with a little more then \$9000.00 to be spent at our discretion. A discussion as to the needs of the center such a new stereo system, a need for storage in regards to Stephanie's programs. She would like to start a walking program, but has stated that additional trained instructors are needed for this program and we would need to purchase walking sticks. Additional comments and suggestions as to the fund raising needs and usage of these funds.

A pharmacist, Howard Backe, will give an informal presentation regarding the usage and discarding of prescription meds. There is a need for additional volunteers to assist with the watering and the downtown hanging plants. A vehicle, water and fertilizer is provided by Forth Floral.

Items for August agenda: Update on Brat barn, Storage, Accreditation, Culvers on September 12, transision of craft room. Perhaps a Marshmallow fest in conjunction with the Halloween Party., future fund raisers and the discontinuation of Bake Sales.
